*Occhiolino*

Modular, community-based Free/Libre  
Laboratory Information Management System  
for the Tryton framework.

By GNU Solidario

( Occhiolino )

GNU LIMS, also known as Occhiolino, is brought to you by GNU Solidario.  
The GNU LIMS project goal is to create a modular, community-based  
Free/Libre Laboratory Information Management System for the Tryton  
framework.
