Tryton Success Stories

Who? Nicolas Évrard

From? Tryton Foundation / B_2CK

The success stories

In May, the foundation decided to change the rule applying to companies listed on the **service page**.

The rule The foundation require companies on the service page to provide (at least) within six months one business case / success story.

The results

In order received

The results

In order received

- John's story about his legal firm

The results

In order received

- John's story about his legal firm
- Adiczion's story about a wine importer

The results

In order received

- John's story about his legal firm
- Adiczion's story about a wine importer
