Contents

- Dockerfile
- Docker Build
- Docker run
- But why would you docker with Tryton ?
- Show time
- Questions

Dockerfile

Repo: https://github.com/openlabs/tryton

File:
https://github.com/openlabs/tryton/blob/develop/
ockerfile

Why Dockerize Tryton

- Scale

- Standardize

- Deploy painlessly

- Dev, Devops and the customer

- (Also solve's Axel's problems)
